

SIXTH STREET PARK

The Sixth St. Park offers access to the Historic Sixth St. Bridge and Riverwalk. The bridge was constructed in 1886 and is the longest pin-connected highway truss in the state of Michigan.

Artist Joseph Kinnebrew's Red Stell Kids Katwalk sculpture is found here, that allows kids to play on the sculpture as the sculpture is meant to experience art in a new way.

Special Events
CITY OF GRAND RAPIDS

RESTRICTIONS & GUIDELINES

- A **site map** must be provided to display the layout of the event
- All **sound** must be conducted below 85 decibels, metered at the perimeter
- Any **tape, rope, signs, wire**, etc. that have been placed on the ground, buildings, columns, windows, poles, etc. must be completely removed after the event. Additional fees will be charged if any items are left
- Vendors/trucks/tables all must have a **mat** underneath to avoid damages to the grass and pavement and catch grease and liquid spills
- **Staking** is not permitted. You must use water barrels.
- All **vehicles**, in front of meters or not, must have a permit supplied by parking services. Vehicles without permits may be ticketed
*Only vehicles dropping off for set-up/tear down are allowed
- **Parking** is available in front of the park. Contact parking services for meters to be hooded
- Electrical are not to be laid across walkways for safety reasons. See picture for voltage & locations
 - There are two 20amp 110V near the fish cleaning station.
- It is required that there is a **clean-up plan** established before the event takes place. There will be an extra fee for damages or any necessary clean up provided by the City.

SEVERE WEATHER DEFINITION

Severe weather involves conditions which can pose health or safety risks to employees or to the public involved in program/ event/facility use. Severe weather examples include: Tornado, Severe Thunderstorms, Lightning, High Winds, Extreme Heat, Extreme Cold, Heavy Snow, Freezing Rain, and Blizzards.

WATCH VS WARNING

SEVERE WEATHER WATCH

- High probabilities of severe weather
- Event continues if weather permits

SEVERE WEATHER WARNING

- Event MC must immediately make an announcement instructing attendees to seek shelter
- Event staff and vendors shut down and turn off any gas or electric components

SEVERE WEATHER POLICY

It is important to have a well thought out and coordinated approach for responding, proceeding and dealing with severe weather. The emphasis is to take reasonable steps towards protecting the public, employees, and property during severe weather.

- Designate a person who will maintain the appropriate communication link (radio, phone, etc.).
- Depending on the event, location, crowd and whether the event is yet to begin, just starting or nearly finished, the staff person in charge may delay or cancel event.
- The staff person in charge will make every effort to secure all equipment.
- When the police officers, fire officers, or other officials are available, their decision to delay or cancel an event should be discussed with the Office of Special Events.

*Refunds will be made at the discretion of the OSE
